

# Can you volunteer?

**Code Club is a nationwide network of volunteer-led after-school coding clubs for children aged 9-11.**

We are looking for a computer programmer to come to our school and lead our Code Club for one hour a week after school. For more information please take a strip and visit [www.codeclub.org.uk](http://www.codeclub.org.uk)

**If you are interested in helping us please email**
